# EU wide registry of public sector semantic models

Raf Buyle, PhD

Digital Flanders - Belgium
athumi, the Flemish Data Utility Company
*imec-IDLab Ghent University*
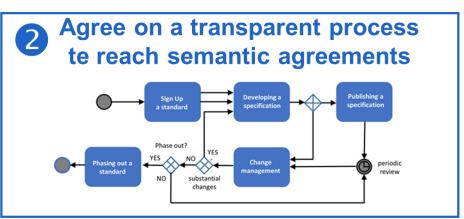

Local adoption of semantic assets

# OSLO Process and method

Share and reuse

1. inspiration
2. adoption
3. contribution

# (i) Inspiration: EU wide semantic registry
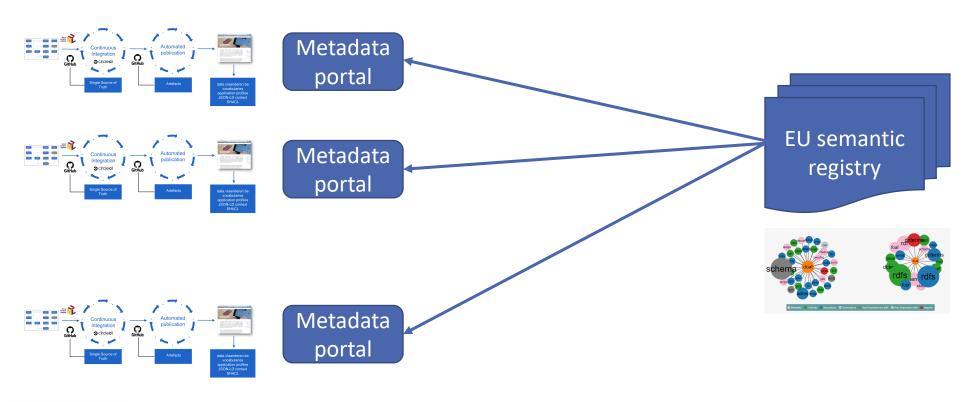

(ii) adoption: workbench to extend existing voc's

(iii) contribution: add your assets to the EU registry

Share and reuse[3]:

"implies a shared process (governance) and method (collaboration environment)"
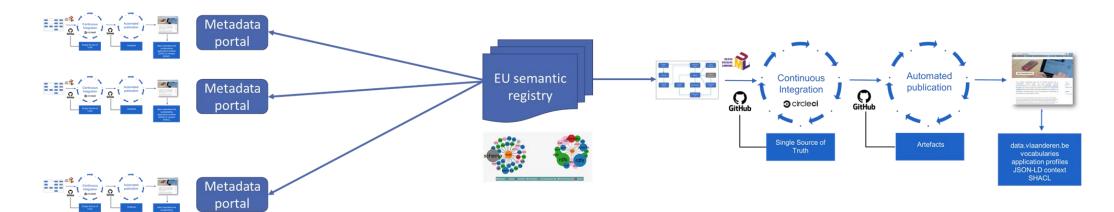

Share and reuse³

contribute   inspire   adopt

Looking forward to collaborate
on EU wide registry of public sector semantic models
